

YOU ARE IN DANGER

YAHWEH KING JESUS SAYS THESE WORDS: (ADDRESSED TO THE WOMAN ON THE PHOTO)

A dangerous place to be if there was no grace carrying your way. I am not looking to put out everyone's sin or misbehaving on these social media sayings. There is a real concern that needs to be brought to your awareness. Grace will not always have a leading with the Church, for the age of the antichrist must begin in a soon way.

Why do you view Yahweh Great Holy Spirit, one of the Members of the Godhead, with such little honor? Don't you fear Yahweh being able to remove your breathing and make you enter the death phase in an instant? There is no fear due to grace being yielded. But hear Me in a clear way. Grace will not be here during the great tribulation. Two eras are beginning to overlap, and one day, just speaking ill ways about the God I AM will bring the ill speaker into instant death. We put your photo from a recording of someone to show your face and not necessarily to give approval to the one who set the recording into a natural placing.

Be very careful. Be aware. The Great Holy Spirit is Yahweh, a Member of the Trinity, or

another way to say, a Distinct Member of the Godhead. Be very careful of the lack of reverence in stating His nature. The Great Way King Jesus speaks this. You tread on dangerous ground and lead others to make light of how the Great Holy Spirit moves in the earth. You must be made a spectacle. How will Yahweh do it? Through displaying power but not with those who view Yahweh with disdain.
