

HOW TO BREAK SOULISH JOININGS

SEERSGATE IS LEADING. HERE IS WHAT SHE SAYS:

How would a person get emotionally involved with someone and “end it,” thinking that no plan stands to keep a spiritual connection with that person after breaking up? Breaking up will not end the way you spiritually joined with the person. While living in sin, I was physically intimate with others and noticed that after no further engagement, I would still think of that other person as if still connected. I thought that our breaking up would end that connection, but lingering thoughts and “what ifs” remained. Yahweh has shown me that what must manifest is a breaking away, where I would spiritually break that connection with that person by petitioning Yahweh for help so that Yahweh would break all bonds with that person.

Objects can also create dangerous connections when linked to covenants. You must remove all gifts and trinkets from your house that hold an unholy joining. Friends can also covenant through a soul tie, making a vow to a person through a soulish joining. There may even be blood joinings that the power of the Great Way King Jesus must break off. Blood joinings by cutting yourself and by mixing your blood with theirs while making a vow must also be renounced. Extra persons in your marriage bed, affairs and orgies are a spiritual joining that must be repented of. Giving yourself to emotional fleshly outlets in work details that cross an emotional boundary will weaken your marriage.

Take a look at how you lived in past relationships, friendships, and work situations. Are there any who connect to you in an appropriate power covenant? How can you know it? You may not live near them, yet the craving for their companionship still stays, with mental longing. What about ex-spouses? Take a moment to deal with old connections. The past must be fully renounced and stripped from your way based on Yahweh’s order.

If you are ready to take a new order, stripping away what was over you, hindering a healthy plan without feeling under heavy bondage, let's move to pray in Yahweh's name, King Jesus. And now is the time to break free from the old way, choosing never to bring it back into active lifestyles.

Here is a prayer to break soulish ties, blood covenants, and former spiritual and natural joinings that weaken your walk with Yahweh. But first, take a moment to humbly bow in Yahweh's house, aligning with a renewed covenant in salvation:

Dear Jesus, I ask You to forgive me of all of my sins. I ask You to save me. I have turned my back on You, but now I come to You. Please cleanse me from all unrighteousness. Please heal me. Please heal me in every area of my life. Most importantly, please come to live within me. I want to know You. I want to have a relationship with You. I am Yours. I am Yours forever, my God, my King, and I choose to serve You for the rest of my days. Thank You, Lord, for dying for me and for saving me. I receive all that You have for me. I look forward to being with You forever. Amen.

HERE IS A PRAYER TO BREAK SOULISH JOININGS

Dear Father, I am seeking my deliverance outlet in Your Son, King Jesus. His blood can cleanse me from all sin. Father, I need cleansing in the blood of King Jesus. Forgive me for all my sins. I now renounce all witchcraft, all soulish bondage, all former lovers, all blood ties, and all dealings in Satan's nature. Now, I come in the name of King Jesus, and at this moment, I am a new creation. Father, please strip away every weight in the old and give me a new vision, a Kingdom perception. In the name of King Jesus, I am now speaking to my body: You will now release every spirit that is not from God's way, as Yahweh says. I cut, I sever, and I break off all soulish ties in all ungodly joinings. I choose to remove myself from environments that dishonor Yahweh. Yahweh, please send every demonic spirit to a place where You choose. King Jesus, I choose to be Your servant. I am a Kingdom citizen due to the salvation given in You. I am ready to yield in

how I live, and I ask You to remove all natural and spiritual joinings that would take You out of Your rightful position in my heart. Dear King Jesus, please address any spiritual hindrance. Please allow me to live a deeper joining in You without the added cares of the world choking my heart. Please bring me into deep, filling ways in Your Spirit. Great Way, thank You for always caring and listening. Because of You, I live free from the old way. Now I ask for Your help in getting rid of the old sentimental objects I wore, or that were in my home, car, and office. Thank You for Your wisdom, grace, and incredible power. Amen. Amen. Amen.
