

# DISLODGE THE SPIRITS OF RAPE AND MURDER

## SEERSGATE SAYS:

When there is a lack of respect for a woman, a demonic presence may be involved. Let us bring a prayer of freedom to women who are abused and lowered in self-worth by dislodging the spirits of **Rape** and **Murder**.

## HERE IS THAT PRAYER

*Father, we come to You in the name of King Jesus. We put this major need before Your Great Throne, and we seek that You will break off the spirits of Rape and Murder from the family line. Please remove the Death Spirit curse over natural and spiritual resources from the women's necks, and bring a real breakthrough in all areas of each woman as she yields her full way over to You. The curse of rape manifests when a person is taken advantage of, revealing a Controlling or Intimidation spirit nearby.*

*Father, please bring these spirits and their moving of nature under the authority given in the name of King Jesus. Please bring true freedom into the lives of the women bound by the will to use male figures in unnatural safe holdings, and let them see that You will truly take care of them, whether a male is present or not. Father, we ask You to heal the wounded woman who dealt with abandonment to take care of the home without a male head.*

*Please bring healing to the woman who experienced sexual abuse or actions in dealing with a spirit not welcomed under Kingdom order. Please bring in a fresh new look that will give a major breakthrough into others who will come near.*

*Father, we ask that You would bring a fresh look on life through Your Spirit. Let us feel the rain of Your presence. Let the love of Yahweh take over in the heart of the person*

*who seeks You. Break off the old way of sin, hurtful memories, and trauma. The spirits of Rape, Death, and Murder will no longer lead due to Your great power. Murder will no longer come forth as a side effect. Premature spiritual death will take a submissive way to Your power, Yahweh, for You are the One True God. Father, thank You for this freedom to seek You and find You when we seek You with our whole hearts. Please bring a healing release to all who thirst. Thank You.*
