

WHEN YOU USE A OUIJA BOARD

YAHWEH YIELDS IT:

Servant, they say it's all fun and games. But what happens when a person dabbles into playing with the spirit realm? Should there be a surprise when demons start tormenting the willing player? They say they are just observing and are not willingly engaging in the demon-calling "game," yet the spirit realm and those that inhabit it look for those who gather even for entertainment. What you take in for entertainment can bring spiritual chains of bondage.

Put that Scripture Yahweh shows you, servant.

(28) And since they did not see fit to acknowledge God or consider Him worth knowing [as their Creator], God gave them over to a depraved mind, to do things which are improper and repulsive, (29) until they were filled (permeated, saturated) with every kind of unrighteousness, wickedness, greed, evil; full of envy, murder, strife, deceit, malice and mean-spiritedness. They are gossips [spreading rumors], (30) slanderers, haters of God, insolent, arrogant, boastful, inventors [of new forms] of evil, disobedient and disrespectful to parents, (31) without understanding, untrustworthy, unloving, unmerciful [without pity]. (32) Although they know God's righteous decree and His judgment, that those who do such things deserve death, yet they not only do them, but they even [enthusiastically] approve and tolerate others who practice them.

—Romans 1:28-32 AMP

YAHWEH CONTINUES:

Yahweh focuses on verse 32. The focus is on the “heart” actions. You willingly sit there and give approval to evil matters and participate by yielding to it and by being tolerant. You don’t want to hurt someone’s feelings, so you let them practice their dark arts in your homes and in the churches. Take a look at this way. When a person conjures up the spirit realm through dark arts, there should be an understanding that being under demon torment is guaranteed. People play demon-based roles when acting out movie scenes and think they will be kept safe because the camera is recording their way. They say they are acting and not doing the sin in real life. But taking in watching a program that conjures demons will build a root for a strongman. And walking out (imitating) a demonic action still engages the spirit realm.

They say they attended a seance, and there were Ouija boards. Taking on an association punishment based on being in the midst of the activity will happen in natural and spiritual events. That’s why the law punishes those who assist in committing a crime as accomplices. You may not have been the one who committed the crime, yet you supported the evil action just by being there when the evil action was committed.

Here is the way of demon engagement with a Ouija board:

STEP ONE: THE HUMAN WILLINGLY CONJURES (SUMMONS) DEMONS

Friend #1: “Let’s pull out the Ouija board and see if there would be any spiritual engagement.”

The accompanying friend says, “Sure. I’m curious.”

They pull out the game, servant, expecting it to be like a board game that doesn’t involve conjuring spirits. They start moving the object around, asking the board questions,

begging that some form of engagement takes way. They want to know they are not alone, but they are conditioned by the movies that bring a rose-colored glass perception of engaging the unseen. They think demons want to care about a human, but all along, what demons want is to begin to cause destruction by giving the human a false perception that they cater to what the human would want. The demon will wait (until they have a greater stronghold) before showing their full way of presentation.

STEP TWO: THEY (THE HUMANS) FEEL A FORCE

This is a dangerous position to stand in. The spiritual door opened due to a willingness to welcome whatever demon would come and enter a conversation. This conjuring force is similar to engaging the spirit realm using automatic writing. Automatic writing gives a plan for a spirit to take over the person and write down words. **The Ouija board is not the catalyst but the altar. You yield to whatever lowercase god would come.** The Ouija board is an altar, showing a demon that you are yielding and would like to have an engaging plan—permanently. That permanent placement will stand unless a greater power source leads.

But there is hope! Yahweh is greater than any demon. Yahweh, the God that truly lives, can set you free. I will give you a way of freedom soon.

Now, let's go into the next step.

STEP THREE: A NEW HOST IS GIVEN

The person at the altar and the supporters attending the event are yielded and willingly give their bodies as a sacrificial plan. What would take way with a Christian? So much is about to be revealed, not as new information, but rather as a syncing plan to what is already stated in the written Word. A complementary way is given.

The written Word of Yahweh will not contain every detail needed for daily living in every situation. Yet the general plan provided in Scripture is enough to keep the follower of King Jesus standing firm in the faith. For example, Scripture says, "Thou shall not steal." The broad way in generalization is given: Do not steal in any situation. There is no need to have a specific detailed Bible verse stating not to steal at home, work, church, or from others. It's clear that no stealing should be in the Christian's way (in daily living).

What about the abomination of occultic standings? Should Yahweh let a true follower of God Yahweh dabble in abomination and still offer protection while they engage in that placing? How does the blood of Yahweh King Jesus seal a true follower? It's spiritual, a covenant. Would the person who is under the blood of Yahweh have the freedom to sin daily out of a willing heart? Shouldn't there be regeneration? Whatever is in the heart comes forward in daily actions.

Is it the will of the follower of Yahweh Christ King Jesus to have fellowship with darkness? You must have the base root of an activity settled. What is the root of governing from the Ouija board? To come to an altar and offer a form of spiritual conjuring that will welcome a spirit from darkness, Satan's kingdom. Are you willingly yielding to Satan's way? Take a moment to process it. Why go to Satan's altar?

Why will the Ouija board offer only demons for conversations, not angels or God Yahweh? Yahweh, the One True God, only offers King Jesus as the Mediator. And any other gateway used will bring demonic plans. Yahweh will not use other altars. What about Saul's visit to the witch of En-dor (1 Samuel 28)? Yahweh can work through evil workers or outlets that are not turned to Yahweh's government (Numbers 23; 1 Kings 22:13-28). Yahweh has conversed with wicked ones and those under His blood in His covenant. How can a Christian become tormented? Easy. You went to the altar of Satan. The Ouija board is an altar of Satan.
