

WHY ARE YOU MAD, FAKE CHRISTIAN?

YAHWEH SAYS IT ALL:

What do I want from My people? Stand with Yahweh by being real Christians at work, with your family, while attending school, and within your private chambers. To hide yourself and your Christian faith is to deny Yahweh. You deny Yahweh in your daily activities. You deny Yahweh by living like the world. Do your family and friends know where you stand, or are you ashamed to even say you know of Yahweh?

Why would now be the time to stand up for a title of Christian due to a sinful plan from a wicked placement? You are not standing with Me when in your personal daily living, yet you want everyone else to think you really stand with Yahweh by having a protest.

No, you stand with the title of Christian, the Christian club, the church events, the famous people you like and want to be like, but you do not stand with Yahweh. To stand with Yahweh is to declare that Yahweh is your God. To stand with King Jesus is to stand in the way of sinful living with a stable placement, standing firm in the faith while not denying what King Jesus did for your way.

Are you willing to actually stand with King Jesus? Then show Me. Declare (offer) yourself a living sacrifice, holy unto your God. Show Me that you love God King Jesus by not cowering when someone asks you of your faith and by spreading the Gospel as I said to. Show Me that Yahweh is your God by not denying Him. Flee the country if you are under persecution. But never deny Me. Never. Hide in underground churches if you must. Don't ever deny your God, King Jesus. Stand with Yahweh.
