

LET'S TALK ABOUT CEMETERIES

September 15, 2023

10:28 p.m.

YAHWEH SPEAKS PLAINLY:

Why are we talking about cemeteries, servant? Is it because Halloween is approaching?
No.

People do not know this, but cemeteries are not scary. They think they are due to how movies are filmed there. But in general, a cemetery carries no scary element. I've trained you to deal with the spirit realm in cemeteries on multiple occasions. Why is this? You're not demon-possessed. And you're not filming a horror movie. So, what have I trained you in about cemeteries? Dead people lie in graves in cemeteries. Those who are under the earth are in one of two places. They say, "prove it." I will one day. And when I prove that these places exist, will you turn? No. Because you will then say, you do not want a God you have to follow. It all comes back to having to listen to someone, for most do not like anyone governing over them. But Yahweh is already watching you...

Yes, I wanted it phrased that way.

Servant, tell them about My training phases. I want them to begin to adjust to how it will be like when grace is removed. This "nice" Jesus that people have in their way of thinking is far-fetched from the Ruler, King, and Judge positions I carry. You speak with Yahweh, the Great God who comes to you. And sometimes, you talk with Father God, and mostly, you deal with the Great Holy Spirit, the One who trained you in extensive ways. And now, the time has come to launch.

Why do we talk about cemeteries? You will rarely find an angel in any cemetery. Why is this? Angels are not given a plan to guard a dead shell in the earth. Yes, the human needs the outer shell also, for each human is comprised of an outer shell, and when the resurrection comes, Yahweh will merge the human into an incorruptible placement. Put that Scripture, servant. And this refers to those in Yahweh.

(50) I declare to you, brothers and sisters, that flesh and blood cannot inherit the kingdom of God, nor does the perishable inherit the imperishable. (51) Listen, I tell you a mystery: We will not all sleep, but we will all be changed— (52) in a flash, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, the dead will be raised imperishable, and we will be changed. (53) For the perishable must clothe itself with the imperishable, and the mortal with immortality. (54) When the perishable has been clothed with the imperishable, and the mortal with immortality, then the saying that is written will come true: "Death has been swallowed up in victory."

(55) "Where, O death, is your victory?

Where, O death, is your sting?"

(56) The sting of death is sin, and the power of sin is the law. (57) But thanks be to God! He gives us the victory through our Lord Jesus Christ.

(58) Therefore, my dear brothers and sisters, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain.

—1 Corinthians 15:50-58 NIV

YAHWEH CONTINUES:

Death currently governs the dead. What many people do not know is that Death is actually a spirit. And Death, along with Hell, will be thrown into the lake of fire. Mind you, I cannot torment a state of being. Death is scheduled for torment. In the meantime, I use Death to govern all those who are in the death phase. What is the death phase? Servant.

SEERSGATE:

Yahweh, here is Your key definition:

—DEATH PHASE—

Death Phase refers to a state of natural death, where the spirit and soul of the human have been released from the human body and take the place of location in Heaven or Hell. The way of natural death stays in place under a curse spoken by Yahweh. In eternity, Death and Hell are in the lake of fire. King Jesus offers each person an opportunity to be set free from natural death and the Death spirit. And with power in Yahweh, every follower of King Jesus receives eternal life, free from natural death forever.

Human power cannot break the death phase. Concerning any who have died, Yahweh ultimately must have a ruling plan and break the hold of the death curse in natural time. While in the death phase, Yahweh gives an order to permit a person's spirit to be rejoined with the flesh. And with an overruling, only then will the Death spirit have to release that spiritual governing over that person and let Kingdom order rule over this death curse.

Death is the name of a curse and a spirit that can govern. Yahweh gave a new ruling over death and the death phase by the powerful blood of King Jesus. Only in King Jesus can resurrection and the way of eternal life come. Though it looks like the Death spirit rules here on Earth, in the spirit realm, Yahweh allows specific permissions to continue until the timing is here for the raising up of all who have died.

We will see raisings from the dead even before the two main Resurrections come forward. To see these raisings from the dead would need Yahweh to break the death phase and overrule a curse that gives the Death spirit governing over the dead. It's a way of great power in the Great God Yahweh that is needed to bring the dead forward from the actual death phase. Yahweh is the One True God, and He will bring dead folks back in His sovereign will.

...

YAHWEH SAYS IT:

If I decided to raise the dead today, would that give any real proof of the two main resurrections mentioned in Revelation? I raised Lazarus from the dead as a proof of what great power flows forward and that it would be a revealing of an ultimate sign: My raising from the dead.

But this way is different, the resurrections from the buried dead. Should I give proof? A demon governs every cemetery. But why? Because Death is a demon. And Death does not look like the Grim Reaper with a sickle. Death is a gray, misty spirit that goes down into the earth, covering over the dead. It is My will, as spoken in the Garden of Eden. But now, there must be a preparation for the return of the One True God. I am Yahweh. What proof should I give?
